---

Pricing: All prices are subject to change without notice. Special order items and custom-made parts need to be pre-paid.

Freight Charges: R2B2 requires the customer to pay all incoming freight/handling charges incurred for special order items. These charges will be assessed upon arrival of your parts. Although we will do our best to accurately quote freight charges on outgoing materials, R2B2 will not be responsible for the difference in freight charges, if any. At any time, R2B2 reserves the right to require that outgoing freight be collect.
